

Twenty-Week Club

My Dear Friends,

Seton is part of the proud tradition of Catholic education in the greater Plattsburgh area. We are proud to have the opportunity to continue the traditions of the schools that are part of Seton's past. As you know the cost of almost everything has increased and that holds true here at Seton. To keep tuition affordable for those who choose a Catholic school education we are continuing the Twenty Week Club to help raise additional funds that can be used to offset those cost. This is an opportunity for those in the community to invest in Seton while at the same time having a chance to win something for them self.

Our Twenty-Week Club provides additional income to pay the debt, maintain and improve our facility and to keep tuition affordable for those seeking a Catholic school education. The **cost of a ticket is \$20**. With this ticket you are **eligible for a \$250 a week drawing for the twenty weeks**. All drawings will be held on "**Twenty Week Tuesday**" during the school day at Seton Catholic. These drawings will begin on Tuesday, February 14, 2012 with the last drawing on Tuesday, June 26, 2012.

You are eligible for EVERY drawing. You do not have to be present to win. You will be entered into the drawing immediately upon the receipt of this form, completed and accompanied by your check made payable to Seton Catholic.

If you wish to be part of this drawing, please fill out the form below and send it with \$20.00 to:

**Seton Twenty Week Club
206 New York Rd.
Plattsburgh, NY 12903**

Thank you to those who supported this drawing in past years and welcome to those who are joining in for the first time – Good Luck to you all. Please accept our heart filled appreciation for your support.
